

Sample-Certificate of Compliance Form

San Francisco-Oakland Bay Bridge East Span Seismic Safety Project

April 2001

CERTIFICATE OF COMPLIANCE

DATE:

TO: Chief Resident Engineer
Office address

As a Civil Engineer, registered in the State of California, I hereby certify that the following precast element has been manufactured in conformance with the approved Quality Control Plan, the Contract plans and Special Provisions for this project. I furthermore attest to the fact that I have personal knowledge and control of the manufacturing process and the quality control testing thereof as required by the approved Quality Control Plan, approved casting manual, the Contract plans and Special Provisions for this project. I furthermore certify that all impeded components, fixtures, and appurtenances furnished by others are in conformance with the requirements of this project.

CONTRACT NUMBER: 59-XXXXXXXXXX

CASTING ELEMENT NUMBER: 02-3465

CASTING DATE: 01/01/02
